RE: Vigil Member Information Database

Fellow Vigil Members:

We, as a Lodge, have taken on a new project for this coming year. The Lodge is in the process of building a database of the following Vigil information, in order to increase the documentation of our history as a Lodge, but also as a form of recognition for you as a Vigil Member of our Lodge.

Please take a minute to fill in the requested information below. You may return the form electronically to wunitagauchos@hotmail.com (yes, it really does say Gauchos!) or mail it to the Scout Office at the attention of Wunita Gokhos Lodge. If you would prefer to deliver it by hand, please give it to Eric Shea the next time you see him.

Thank you for your assistance with our new project! In service,

The Vigil Honor Committee
